

MOCA AWARD NOMINATION

Purpose: To recognize a person or organization that promotes the preservation of Maine's old cemeteries. This could be accomplished through repair, maintenance, or education.

Criteria: The Awards Committee will evaluate each nominee by considering the following criteria:

1. The project must be complete.
2. Local government organizations are not eligible for awards.
3. Awards will be considered for volunteer work performed by an individual or group working in a public or private cemetery.
4. What is the plan for continued care?
